Sustainability

For nearly 100 years, the Freeman family has been taking steps to make our business more sustainable. As a founding member of the global [Net Zero Carbon Events \(NZCE\)](#) initiative, we recognize the importance of transparency and have committed to:

- Reduce GHG emissions by 50% by 2030
- Achieve net zero carbon by 2050
- Achieve zero waste (90% diversion) by 2050

Freeman is working internally toward our goals, and we want to help you get there too. Beyond our standard offerings, we provide the following in-house services:

Auditing and Measuring Results

It's important to measure sustainability efforts for each event so you can track progress and identify areas for improvement.

Post-event, Freeman can provide an Event Sustainability Report (ESR) that includes available data around Freeman graphics, flooring, transportation, Freeman staff travel used during an event, and our CO2 emission figures that help guide future decisions.

Sustainability Consulting

Our team works across every department to provide sustainable solutions wherever possible. Sustainability is best approached from the beginning.

We can facilitate early exploratory calls to discover ways we can implement new initiatives, provide tips and insights around sustainable ordering, and suggest opportunities for future events.

The future depends on the sustainable work we do today.

Maximize your trade show space

Selecting the right furniture sets the tone for attendee engagement, educational sessions, networking, and presentations.

Stand out from the crowd

A pop of color ensures your exhibit is unique to your brand, theme, and trade show goals.

Network and collaborate

Soft seating

Establish a cohesive look to connect and engage in any space.

Accent chairs

Create a welcoming environment that serves function, style, and comfort and can scale for group or individual seating.

Tables and chairs

Height can influence the type of engagement held, whether it's a casual chat at bar height or a longer connection at a café table.

Ottomans

Ottomans bring additional seating with flexibility and modularity to move around any space. Pick from a variety of colors and sizes that meet your presentation needs.

Group seating

Create a memorable experience with maximum impact by creating lounge areas, hospitality suites, and VIP sections.

The Freeman logo, featuring the word "Freeman" in a white sans-serif font, followed by a small blue square icon with a white stylized 'F' shape inside. The background of the entire image is a blurred photograph of a woman with blonde hair, wearing a bright pink shirt and a blue lanyard, smiling and looking towards the left. She is holding a smartphone in her hands. In the foreground, the back of a person with dark curly hair wearing a red shirt is visible, also holding a phone.
